**From:** Records, Open

**To:** foia@americanoversight.org

To Whom It May Concern:

On August 7, 2019, the Georgia Governor's Open Records Office received your organization's request for public records. You asked for any records identifying costs incurred by the Georgia government related to visits by Governor Kemp and/or staff to a specified list of Trump Organization properties. After a diligent review, we found no responsive records in our possession. This email serves as our final response to your request.
